

Sergey Shumeyko

50 Cantermill Lane, Mount Crawford, VA 22841 ● (540) 705-1053 ● sshumeyko98@gmail.com

Professional Summary

I have worked many different types of jobs in construction and shops as well as management and accounting. I have also taken many classes in mathematics and physics as well as some in accounting and social sciences. I am a very hard worker and always eager to learn something new. I am a very fast learner who is happy to work alone or with a team of others. I have done many different types of calculations and simulations in fields such as Theoretical and Statistical Physics and Classical Mechanics as well as working with Excel and Word files. I am very good with math and calculations and love working from diagrams and schematics. I am also very good at keeping things organized and on time.
