

## How to Switch to YouTube's Creator Studio Classic

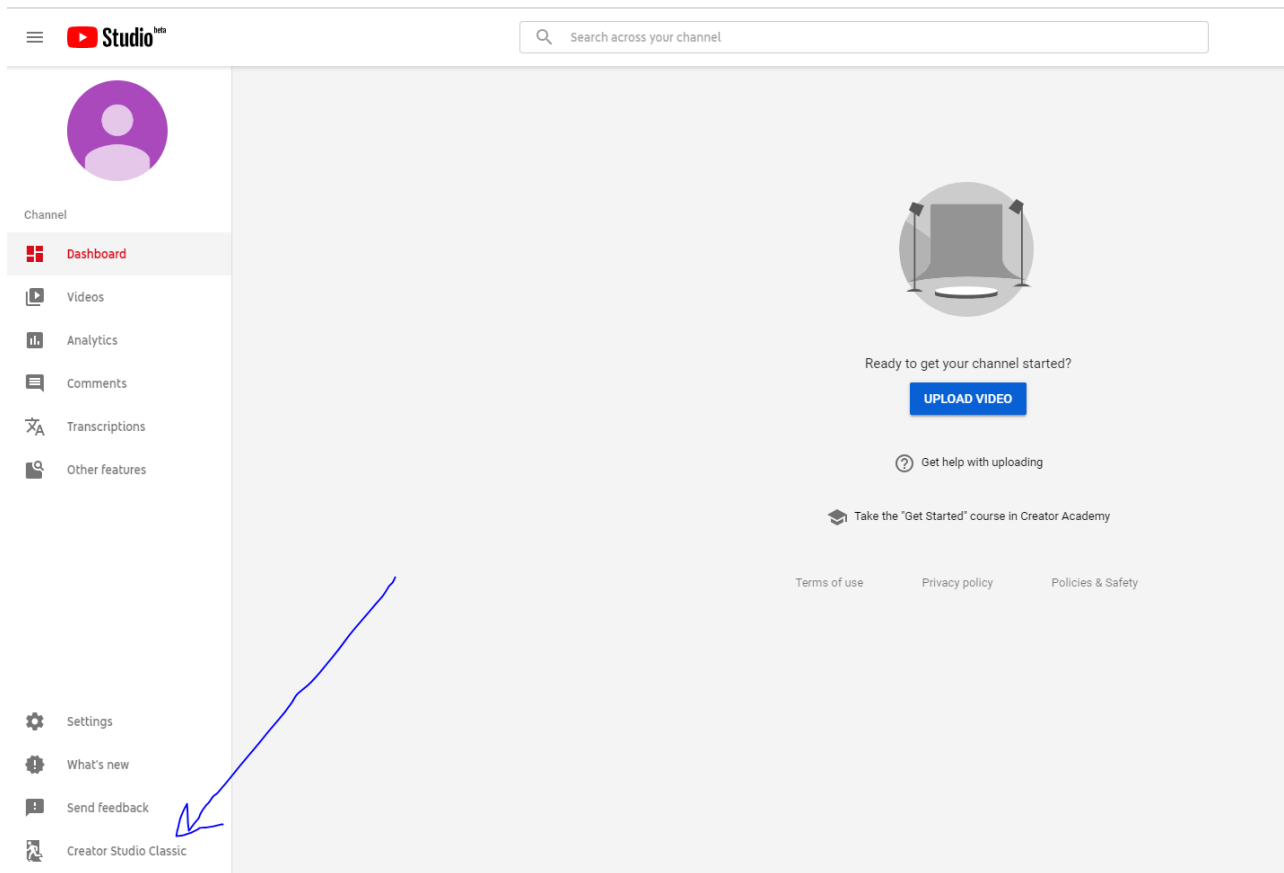

**STEP 1:** Go to youtube.com and make sure you are signed in.

**STEP 2:** Click on your icon on YouTube's home page, and a drop down menu will appear, as shown below.

**STEP 3:** Click on YouTube Studio (beta).

**STEP 4:** Below is the page that will appear. Click on Creator Studio Classic as indicated.

**STEP 5:** The dialogue box below will appear; however, you can press Skip unless you want to give feedback.

**Thanks for trying out the new experience!**

We're still working on making things better, and your feedback really helps. Please tell us why you decided to leave. (Check all that apply)

- I have an urgent task and know how to find it in Creator Studio Classic
- I would need more time to learn how to use it
- Something is missing
- Something is broken
- Something is harder to use
- Other
